

Serial No.: 09/977,330

R E M A R K S

By this amendment to page 1, Applicant makes clear that it does not claim priority of Applicant's Provisional Application No. 60/240,088, filed October 16, 2000.

It is requested that prompt examination be made on this basis.

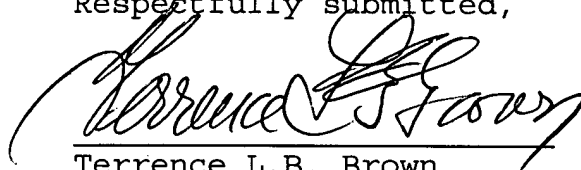

It is believed that no fee is due for this submission. Should that determination be incorrect, however, the Examiner is hereby authorized to charge any deficiencies to our Deposit Account No. 19-2105, and notify the undersigned in due course.

Should the Examiner have any questions or wish to discuss further this matter, please contact the undersigned at the telephone number provided below.

Respectfully submitted,

Date:

October 15, 2002

MOLD FOR FORMING A DENTAL PROSTHETICS

CROSS REFERENCE TO RELATED APPLICATIONS

5        This application relates to application no. 60/240,088, filed  
October 16, 2000.

(  
A        This application claims no priority benefit of application no.  
60/240,088, filed October 16, 2000, which is incorporated herein by  
reference.

10        FIELD OF THE INVENTION

The invention relates to molds. More specifically, the  
invention relates to molds for forming dental prosthetics. Even  
more specifically, the invention relates to molds for forming  
dental prosthetics that include top and bottom halves, and can be  
15        used to ship the molded material used in the process of using  
dental prosthetics to an off-site laboratory. The invention  
likewise relates to a method of making a new dental prosthetic from  
an existing dental prosthetic.
